

Periodicals Department Mission Statement and Policies

Mission Statement

The Periodicals Department supports the mission of the Harold B. Lee Library, the University, and its sponsor, the Church of Jesus Christ of Latter-day Saints. The mission of the Periodicals Department is to support the University curriculum, as well as student and faculty research needs, through the administration of the newspaper and periodical collection of the Harold B. Lee Library. We are committed to collecting, managing, providing access to, and bibliographic instruction for these resources, as well as similar materials available in a variety of formats outside the University.

The Periodicals Department provides reference and other services to BYU faculty, administration, staff and their dependents, BYU students, UALC faculty, staff and students, members of the Church of Jesus Christ of Latter-day Saints and to members of the local community.
