

Ordering English and Welsh Certificates

There are four ways you can order a copy of an English or Welsh certificate:

1) Write to the Registrar General at:

General Registrar Office
P.O. Box 2
Southport
Merseyside PR8 2JD
England

- 2) Write to the superintendent registrar of the area where the event occurred. Addresses can be obtained from the British Reference Unit in the Family History Library or from the Internet.
- 3) Order a copy through the Internet. See the Office of National Statistics site: www.statistics.gov.uk/registration/certificates.asp
- 4) Arrange for a person or company to obtain the certificate for you. Advertisements for this service are often found in British genealogical journals.

Note: Information such as volume and page number will be needed in order to order the certificates.

We do not recommend that you obtain a short certificate as it gives only a name and a date. To learn more about obtaining certificates call 1-800-346-6044.
